Brand Overview: **JW Marriott Hotels & Resorts** is Marriott International’s luxury brand that consists of 51 beautiful properties in gateway cities and distinctive resort locations around the world. These hotels are warmly authentic, putting guests at ease in an environment of relaxed elegance and effortless luxury. Reflecting their locale, they provide quietly luxurious, though purposeful and meaningful, services that help travelers achieve their personal goals and advance their ambitions without distraction or disruption, resulting in a rare harmony of beautifully delivered experiences where the primary purpose is the guests’ over-all well-being. JW Marriott Hotels & Resorts are focused on fostering a sense of well-being through state-of-the-art fitness centers and award-winning spas and imaginative cuisine. It is here that luxury is experienced through the richness of authenticity, discovered in the beauty of craftsmanship and delivered with an intuitive response to personal expectation.

History: The first JW Marriott Hotel opened in February 1984 on Pennsylvania Avenue in Washington, D.C., as a tribute to the founder of Marriott Corporation, predecessor to Marriott International. The first JW Marriott properties in other regions of the world are:
- Asia—JW Marriott Hotel Hong Kong, 1989
- Middle East—JW Marriott Hotel Dubai, 1993
- Europe—JW Marriott Hotel Bucharest, 1993
- Latin America—JW Marriott Hotel Mexico City, 1996

Target Guest: **JW Marriott Hotels & Resorts** cater to sophisticated, self-assured travelers who seek a hotel experience that embodies confident sophistication without pretense. They value authenticity and expect highly crafted experiences that are anticipatory and artfully delivered.

Competitive Frame: **JW Marriott Hotels & Resorts** compete with other fine luxury hotel brands such as Fairmont, Park Hyatt, Shangri-La and Conrad and high-end independent properties.
Development Strategy: JW Marriott Hotels & Resorts are expanding into gateway cities and established resort destinations as well as emerging luxury markets throughout the world.

Hotel Attributes JW Marriott Hotels & Resorts’ attributes include:
- Dramatic and distinctive architectural and interior features
- Spacious guest rooms with luxurious appointments & amenities
- Restaurants and lounges that offer unique and imaginative dining experiences
- Fitness centers and spas with state-of-the-art equipment and pampering spa-like environments
- Executive Business Centers with 24-hour access offering an environment conducive for work or meetings and a full spectrum of business services
- Oversized residential-like Executive Lounges offering a relaxing environment and superior food and beverage services
- Large complement of staff poised to assist as needed
- Enhanced access to services so that guests can work and live on their preferred schedule

Current Locations: The JW Marriott portfolio currently includes 52 properties offering 23,048 rooms in 22 countries.
